Equipment, Cooking Utensils and Plateware	Ingredients
---	-------------

	Item	Details		Item	Unit Size	Unit Type	Instructions/Specifications
1	Measure Cup	2 cup measure	1	White Milk	1	Gallon	2%, Homogenized (Blue Cap Jug)
			2	Chocolate Syrup	12oz	FL	

Preparation Instructions

- 1 Open gallon milk jug and pour 12oz milk into the 2-cup measuring device. Pour the 12oz milk into an already in use open gallon jug of milk.
- 2 Using the same 2-cup measuring device, measure 12oz of chocolate syrup and pour chocolate syrup into open milk gallon jug.
- 3 Replace lid of milk jug and make sure it is secured.
- 4 Shake jug vigorously until chocolate syrup and milk is fully blended.
